

## FOR IMMEDIATE RELEASE

### **ARCOA Group Announces Tentative Agreement to Acquire Southwest Equipment Brokers, Expanding Presence into Arizona**

**Waukegan, IL — February 9, 2026** ARCOA Group today announced it has entered into a tentative agreement to acquire Southwest Equipment Brokers, a respected Arizona based asset remarketing firm. The transaction marks a key milestone in ARCOA Group's growth strategy, expanding its geographic footprint into Arizona and further strengthening its national asset remarketing platform.

Founded in 1989, Southwest Equipment Brokers has built a strong reputation in the asset remarketing industry through decades of experience, customer-focused service, and consistent performance. The company is widely recognized for its trusted relationships and deep market knowledge throughout the region.

"This agreement reflects ARCOA Group's strategic commitment to growth and to partnering with organizations that share our values, culture, and standards," said **Edward J. Spriegel, Managing Partner** of ARCOA Group. "Southwest Equipment Brokers has built an exceptional legacy, and we are excited about the opportunity to build upon that foundation together."

Following the completion of the transaction, ARCOA Group plans to expand the range of services offered at the Arizona location. Customers will benefit from enhanced capabilities, broader solutions, and access to ARCOA's national resources while continuing to receive the local expertise that has defined Southwest Equipment Brokers' success. Planned service offerings include the continued purchase of used equipment from dealers and corporate partners, asset remarketing for major lease companies, expanded third-party logistics (3PL) services, and the addition of certified electronics recycling capabilities.

The transaction remains subject to customary closing conditions and regulatory approvals. Additional details will be shared as they become available.

#### **About ARCOA Group**

ARCOA Group is a leading provider of secure logistics, asset remarketing, and certified electronics recycling services, delivering comprehensive end-of-term solutions across a wide range of industries. With a focus on innovation, integrity, and customer value, ARCOA continues to expand its national presence and service offerings.
