

We're proud to share that EKM Global Limited has successfully added ISO/IEC 27017 (Cloud Security Controls) as part of our recent ISO/IEC 27001 surveillance audit.

This achievement strengthens our commitment to best-practice information security and demonstrates our ongoing focus on protecting customer data in cloud environments.

Security isn't a one-off, it's an ongoing commitment.

A big thank you to our team for their continued dedication to continual improvement and security excellence.
